**DISCLAIMER:** GSscore is an advanced AI tool developed by GTE Direct Pte Ltd to assist prospective Australia student visa applicants in preparing responses based on the Genuine Student criteria. While GSscore provides tailored feedback and insights, it does not guarantee visa approval. The final decision lies with the relevant Australian immigration authorities. It is advised that users also seek personalized advice from qualified immigration consultants as their individual circumstances may vary. GTE Direct ensures the confidentiality and security of user data, but users should be aware that any information provided is at their own discretion. By using GSscore, users agree to these terms and acknowledge the limitations and advisory nature of this AI-based tool. GSscore is not an official assessment of the Australian Government or endorsed by it. It is an independent review done on a best effort basis to assist international students.
